

CADETS TRAINING WING

MILITARY COLLEGE OF TELECOMMUNICATION ENGINEERING

JOINING INSTRUCTIONS : TES 51

TECHNICAL ENTRY SCHEME

Power Through Knowledge

A LIFE LESS ORDINARY

Training at **Cadets Training Wing, Military College of Telecommunication Engineering** offers a wide range of benefits that contribute to personal growth, professional development, and the ability to serve effectively in the armed forces. Gentlemen Cadets are trained as Techno-Warriors, who are fully equipped with the technical knowledge and leadership qualities required by military professionals. Here are some of the key advantages of training at CTW, MCTE:

- Tech Gentlemen Cadets pursue dual degree in Telecommunication Engineering & Information Technology (IT), the two main engineering streams, while undergoing military training.
- Discipline and Physical fitness imbibed at CTW not only enhances their performance in the military but also fosters a healthy lifestyle.
- Emphasis on leadership skills teaches to lead by example, make tough decisions under pressure, fosters a strong sense of team spirit.
- Training at CTW, MCTE instills a sense of pride and patriotism in the service of one's country. This sense of duty and commitment to a greater cause can be a driving force throughout a military career.

Overall, training in CTW, MCTE will provide a well-rounded experience that shapes Gentlemen Cadets into knowledgeable, technically oriented, disciplined, skilled, and responsible military officers, equipped to serve their country and succeed in various aspects of life.

A Gentlemen Cadet at CTW, MCTE inherits glorious heritage and timeless traditions, blended with the latest technology in the fields of engineering and leadership qualities. He is offered a golden opportunity to be a part of world's finest Army and get trained not only to be an Officer but also a Gentleman for life.

THE CHETWODE CREDO

**“THE SAFETY, HONOUR AND WELFARE OF
YOUR COUNTRY COME FIRST, ALWAYS AND
EVERY TIME.**

**THE, HONOUR WELFARE AND THE COMFORT
OF THE MEN YOU COMMAND COME NEXT.**

**YOUR OWN EASE, COMFORT AND SAFETY
COME LAST, ALWAYS AND EVERY TIME”.**

Fd Marshal Sir Philip Chetwode 10 Dec 1932

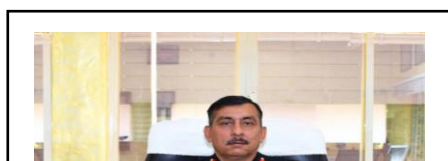

Lt Gen K H GAWAS, PVSM, VSM

COMMANDANT'S DIRECTIVE TO THE CADETS

All Cadets undergoing training at Cadets Training Wing will follow the following directives in letter and spirit: -

1. **Honour Code**. The Honour Code of the wing will be observed by all Cadets in true letter and spirit.
2. **Integrity**. Harder right over easier wrong is the way of life at CTW, MCTE. Every Cadet is responsible for his own actions and he will be held accountable for the same. In all your training activities, you will encounter the choice between the right and wrong. The right thing to do isn't always the easiest thing to do, but it is always better to do the right thing. A Cadet is expected to have the **Honour** and **Courage** to adopt a way of life which is morally and ethically right regardless of the consequences.
3. **Leadership**. Learn to follow and learn to Lead. You all have joined CTW, MCTE to become leaders in the Armed Forces. During your training, you will receive the benefit of hundreds of years of proven combat leadership principles. You have to first become a "Team player" by helping course mates, platoon mates and team mates. Always learn to follow lawful orders and then learn when, how and why orders are given. When leadership opportunities come your way, take them without hesitation. At CTW, MCTE, mistakes are learning experiences and these experiences will help you become a Leader of Character.
4. **Excellence**. Every Cadet will have opportunities to demonstrate `excellence in all we do'. Every Cadet will choose an area of excellence of his choice at the Wing. He will work hard in this field and be an asset to the Nation and Armed Forces after passing out of CTW, MCTE. Remember - Excellence is our way of life.

Jai Hind

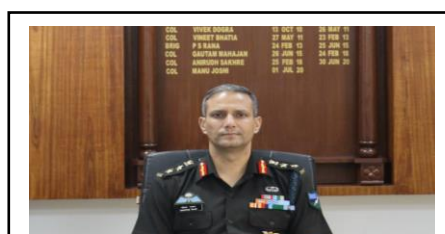

MAJ GEN SANJAY SAJJANHAR

DEPUTY COMMANDANT AND CHIEF INSTRUCTOR

1. At the outset, I congratulate you for boarding an important pedestal in your life. CTW is a premier training institute for technical training in the country and has been forging young boys into dynamic military leaders who are physically fit, mentally strong and intellectually enabled.
2. The academy is a “Cradle of Inspiring Military Leadership” which aims to make you a techno warrior who is self-confident, self-disciplined, intellectually enabled, physically fit and articulate for which the wing is aptly structured to ensure the aforementioned qualities are instilled in you on completion of your training at this premier institute.
3. The wing will expect you to be forthcoming towards learning all the aspects taught and imbibe the honour code in letter and spirit which will also be the bedrock for your future life in uniform.
4. I am sanguine that you will excel in all aspects of training imparted at CTW, MCTE. I wish you all the very best for your journey here.

Jai Hind

COL GAUTAM RAJP

COMMANDER

1. Heartiest felicitations to you and your family on being selected to undergo Training at Cadets Training Wing – a premier Pre Commission Training Academy of our Nation.

2. As 'Team CTW' our singular aim would be to **transform you into a Warrior-Scholar** and a Young Leader in the Indian Army, confident and self reliant to take on contemporary and futuristic challenges. Our team of highly professional Instructors and Staff will impart quality training, driven by deep sense of purpose in an ecosystem conducive to growth and learning. We urge you to be determined and persistent to persevere through the challenges inherent in a training academy like ours.

3. During the period from today until joining the Wing, I exhort you to make an endeavour to orient yourself to the ensuing curriculum - both mentally and physically. For the latter, endurance and strengthening of upper body and core is essential. This will enable you to withstand the rigours of training.

4. Information and guidelines contained in this booklet will help you prepare and plan your arrival to the Academy as also the transition that you will undergo on arrival.

5. Our compliments for choosing to assume the **mantle of leadership in the noble profession of Arms**. Godspeed !

ADJUTANT'S NOTE

Dear Candidate,

1. I take this opportunity to welcome you to this premier training institution. Cadets Training Wing is one of the finest Pre-Commission Training Academies and has the honour of training more than one thousand Gentleman Cadets in a span of 23 years. You have been successful in a tough and stringent selection procedure and have been chosen to join this wing. It is an achievement to be proud of and to be cherished by you and your family.

2. At CTW, MCTE we maintain and expect very high standards of Discipline, Moral Values and Physical Fitness in addition to excellence in Academics. I am sanguine you will live up to the standards and meet the expectations of the instructional staff in the wing.

3. These joining instructions will assist you to carry out initial preparations for your movement to the wing. Deliberate effort has been made to address all queries through these joining instructions. You are advised to read them carefully and take necessary actions.

PART I : GENERAL

Brief History : Military College of Telecommunication Engineering

1. Set in the salubrious and sylvan surroundings of Mhow, Military College of Telecommunication Engineering (MCTE) is a premier training institution of the Corps of Signals and the Indian Army. Established on 01 October 1946 it was named 'School of Signals' on 25 Jun 1948. Later, in keeping with the advance technical training being imparted at this institution, it was redesigned as Military College of Telecommunication Engineering on 01 October 1967.
2. The Alma Mater of all Signal Officers, MCTE is the seat of learning and the 'Think Tank' of the Corps. It has been the center of excellence and has trained innumerable personnel in Combat Communications, Electronic Warfare, Communication Engineering, Computer Technology, Regimental Signals Communication and Cryptology.
3. Here at the College, the trainees are given the opportunity to study and train in a formal setting with a view to imbibe and inculcate in them requisite skills, knowledge and abilities necessary to effectively perform tasks entrusted to them.
4. The College regularly conducts seminars and discussions on current topics relating to Information Technology, Electronics and Computers there by keeping you abreast with the modern trends in communications.
5. Besides the training Faculties and Wings, the College has a Department of Administration (DOA) to provide administrative and logistic support to the staff and students, a Conceptual Studies Cell to evolve communication doctrines and produce training material, a modern and well stocked Library and an in-house printing press. In addition, Technical Maintenance Wing (TM Wing) is organised to maintain and repair training equipment and training aids and Workshop Coy (TA Company) is for fabrication of various training aids.
6. The prestigious HQ Officers Mess of the Corps is also located at the MCTE which adds to the grandeur and importance of the Institution.

Cadets Training Wing

7. **Cadets Training Wing (CTW)** of Military College of Telecommunication Engineering (MCTE), Mhow is one of the premier Pre-Commission Training Academies of the Indian Army tasked with training the Gentlemen Cadets for commissioning as officers in Indian Army through the Technical Entry Scheme and motivating them to be morally upright and professionally competent commissioned officers of the Indian Army, committed to the values of duty, honour and selfless service to the Nation. This elite institute imparts quality technical training, which includes engineering subjects (as well as military training) not only to the selected and capable youth of the country, but also to the selected candidates of friendly foreign countries, and sculpts these boys into future military commanders.

8. CTW, MCTE was established in the year 2000, as an integral part of the MCTE. The first batch joined Indian Military Academy in Jul 1999, of which 12 GCs from Corps of Signals reported to CTW, Military College of Telecommunication Engineering (MCTE) on 10 Jul 2000. The crest of the Cadets Training Wing is composed of the sword of the profession of arms, crossed with a flash of lightning, symbolizing power superimposed in the middle by the 'Dharma Chakra'. The scroll bears the inscription "**POWER THROUGH KNOWLEDGE**" and they are called as "TECHNO WARRIORS".

9. While at CTWs, the GCs undertake academic classes for B. Tech Engineering Degree along with improving upon the standards of Outdoor Training. CTW has been executing the daunting task of molding young boys into techno warriors with aplomb, a point well proven by the alumni of this institute who are redefining excellence with their outstanding endeavours in all fields.

10. **Since its inception, more than 1000 Gentlemen Cadets have passed out as Commissioned Officers from this prestigious training institute.** The alumni of CTW, MCTE have proven their excellence in all spheres of the military profession and have earned many laurels. They have outperformed their peers from other training academies not only in engineering and operational field but also in the challenging competitive examinations for the esteemed Defence Services Staff College and Defence Technical Staff Officers Course. Leading by personal examples, they are transforming the officer cadre of Indian Army while being instructors at many premiere defence institutes. The alumni have covered themselves with glory by gaining six Shaurya Chakras and thirty Sena Medals till date.

11. In coming years TECHNO WARRIORS trained from CTW, MCTE will live by their motto “POWER THROUGH KNOWLEDGE” and ably handle the requirements of the new age warfare for which they are suitably trained.

Role of CTW

12. The design capacity of CTW is to train 240 GCs. The role of CTW is as follows: -

- (a) Train GCs of TES entry for three years in Basic Service and Basic Engg Subjects.
- (a) Conduct outdoor trg.
- (b) Develop Officer like qualities.
- (c) Ensure discipline and Administration of GCs.

Location

13. CTW, MCTE is located at Mhow Cantonment, which is adjacent to Indore city of Madhya Pradesh State. Mhow is located in the Malwa plateau in the state of Madhya Pradesh approximately 22 Kms from Indore. Indore city is well connected by road, rail and air. Mhow is connected to Indore by road as well as rail. It also falls on the Mumbai-Agra National Highway. Mhow is at an altitude of 600 meters above the sea level and blessed with moderate climate throughout the year with temperature varying from 15 to 35°C. It receives rainfalls from July to September.

TRAINING AT CTW, MCTE

14. **Aim of Training.** The training is aimed at the optimal development of intellectual, academic, moral and physical qualities with special emphasis on acquiring the requisite technical competence and Officer Like Qualities required for the Indian Army.

Technical Training

15. **The training structure involves three years of training at CTW, MCTE, which is divided into six terms. This is followed by one year of training at Indian Military Academy (IMA), Dehradun.** CTW provides intellectually stimulating course content, which goes beyond delivering information. The technical training at CTW is centred at conferring B Tech degree in Telecommunication Engineering and IT. The syllabus covers all basic engineering subjects of both the streams and are revised periodically keeping in view the changing technological environment. On graduating from CTW and IMA, the Gentlemen Cadets will be conferred with a B Tech degree from **Jawaharlal Nehru University, New Delhi**, which is one of the most valued universities in the field of engineering.

16. **Inclusive Training.** The curriculum of both Telecommunication & IT streams at CTW, MCTE is inclusive, covering all aspects of technical training. **Gentlemen Cadets also participate in technical seminars on varied and contemporary technologies.**

17. **Faculty.** We engage the best of faculty available in Indore, who consistently strive for the highest standards of teaching and learning. Our faculty members are renowned experts in their domains, with impressive academic backgrounds and extensive experience.

Outdoor Training

18. **The Outdoor Training includes Physical Training, Swimming and Drill.** The Gentlemen Cadets are mandated to clear their tests in stipulated time. Competitions for outdoor events are also held in each term.

Military Training

19. **Camps.** The fourth and six semester Gentlemen Cadets undergo camps of 04 days each. They are given field exposure on conventional Operations at Sec level. The camp culminates with the 'Josh Run' and 'Camp Fire'.

20. **Weapon Training.** Weapon training is conducted for Gentleman cadets where in GCs are adequately trained on handing and firing different weapons.

Leadership Training

21. Specially structured training on leadership qualities is organised for the Gentlemen Cadets. Standing in front of a body of troops and commanding them requires a considerable level of confidence and public speaking skills. To inculcate the same, various activities including Debate Competitions and Technical Project Presentation are held in each term.

INFRASTRUCTURE

Academic Infrastructure

22. The Wing has an academic block called TECHNODROME, that has modern smart classrooms, visual aids and multimedia tools that foster an interactive and immersive learning environment.

23. There is also a fully equipped IT Laboratory with computers and cutting-edge equipment. The wing also houses a comprehensive library which has an ever-growing reservoir of books.

Online Learning Facilities

24. CTW, MCTE offers best facilities for online learning by Gentlemen Cadets during own time.

(a) **National Knowledge Network (NKN)**. The CTW takes immense pride in being a part of the prestigious National Knowledge Network (NKN), a state-of-the-art initiative connecting educational and research institutions across India. Through NKN, our Gentlemen Cadets have an access to a vast repository of digital resources, academic journals, and e-learning platforms, enabling them to stay updated with the latest advancements in their respective engineering disciplines.

(b) **24 X 7 Learning Environment**. To promote a digital-centric learning experience, each Gentlemen Cadet's room is equipped with the thin-client terminal, which provides Gentlemen Cadets with direct access to the central network and educational resources from the comfort of their rooms.

Other Facilities

25. **Simulator : Indoor Weapon Training System (IWTS)**. IWTS facility aims to enhance training effectiveness and improve accuracy of firers by simulating realistic scenarios and allowing upcoming officers to practice skills in a controlled environment. Tools in Indoor

Weapon Training System allow instructors to identify areas for improvement and tailor training accordingly.

26. **Indoor Sports Complex.** The multipurpose sports arena features a large, versatile sports complex that accommodates various indoor sports such as basketball, volleyball and gymnasium. The arena has dedicated facilities including strength-training areas, cardio equipment and specialized training equipment. This complex provides spaces for hosting sporting events, tournaments and competitions. These spaces accommodate spectators and provide necessary amenities like seating, scoreboards and media facilities.

27. **Gentlemen Cadets' Accommodation.** Gentlemen Cadets are allotted fully furnished cabins with attached washrooms within the CTW premise, which is in close proximity to all the facilities such as classes, laboratories, training areas, sports fields and Cadets' Mess.

28. **Gentlemen Cadets' Mess.** The Mess provides excellent quality, hygienic, nutritious, delicious, balanced multicuisine food.

29. **Cinema.** Latest movies are screened at Hermes Open Air Theater every Wednesday exclusive for the GCs of CTW.

30. **Medical Facilities.** The requisite medical facilities are provided by the MCTE MI Room and Military Hospital, Mhow.

31. **Sports Medicine Centre.** Fully equipped and modern Sports Medicine Centre is available at CTW, MCTE. With an on-site sports medicine centre, Gentlemen Cadets can receive consistent medical care throughout their training period, which contributes significantly to their well-being, performance, and success.

32. **Additional Facilities.** Well-stocked CSD Canteen, shopping centre, cafeteria, barbershop, clothing and tailor shop, equipment repair shop, bank ATM, landlines in each Platoon for communication at home and internet are available within the premises.

ACTIVITIES AT CTW

Sports Activities

33. Inter platoon games are organised as team events in various strings to inculcate the sportsmen competitive attitude, camaraderie and team spirit in the Gentlemen Cadets. Competitions for Hockey, Basketball, Volleyball, Football, Cross Country run, Tennis and Squash are organised. As part of daily routine, the games period is organised for gentleman cadets under respective coaches and instructors.

34. **Inter CTW Triangular Meet**. Inter CTW Triangular Meet is conducted once in a year hosted by one of the CTWs. Cross-Country run, one major game (Hockey or Football), one minor game (Volleyball or Basketball) and one individual game (Tennis or Squash) form part of the event.

Clubs And Hobbies

35. Apart from developing the physical and scholastic skills of the Gentlemen Cadets, endeavour is made to develop their personalities as well. In order to inculcate and nurture hobbies, various clubs have been formed viz **Arts, Science, Music & Drama, Sailing & Kayaking, Air Rifle & Pistol, Photography, Squash, Tennis & Golf.**

Adventure Camps And Mid Term Hikes

36. During the mid-term break and at the end of term, adventure activities like Basic Para Hike at Air Borne Training School, Agra and hikes to different academies, centres and inter-services institutes at different locations in the country are organised for the Gentlemen Cadets.

Candidates are advised not to bring any valuable items like expensive watches, rings, necklaces, jewelry, electronic gadgets and such like articles. Additionally, bespectacled Cadets are advised to bring two pairs of spectacles. Spectacles with photo chromatic lenses are not permitted to be worn while under training at CTW, MCTE.

57. **Social Media.** The use of social media is banned for the Cadets (list attached as **Annexure to Appendix 'K'**). The candidates joining CTW, MCTE are required to submit a certificate on the prescribed format stating that the individual is not a member of any social networking website (**format attached as Appendix 'K'**).

Physical Conditioning

58. It is imperative that candidates desiring to join the CTW, MCTE attain a certain degree of physical fitness which will facilitate their smooth adaptation to the training schedule at the wing. It has been observed that a majority of selected candidates are in poor physical condition on joining the wing. As a result of this, such candidates find it difficult to cope up with the training routine. Inadequate physical conditioning also inhibits the Cadets' academic performance.

59. Prospective candidates are, therefore, advised to keep themselves in good physical condition, by following the under mentioned regimen daily: -

- (a) Jogging 3 to 5 Kms interspersed with short sprints.
- (b) Skipping.
- (c) Pushups and Sit ups (minimum 40 each).
- (d) Chin ups (minimum 04).
- (e) It would be of immense benefit if the Cadets could learn the basics of swimming before joining the wing.
- (f) Cycling up to 3 Kms.

Travelling Expenses

60. Candidates will travel to Mhow at their own expense by train in AC-III tier by the shortest route. A cash receipt/ticket is to be obtained from the railway authorities showing the amount of railway fare spent. This is to be attached to the Travelling Allowance claim, which will be produced by candidates on arrival at the CTW, MCTE. Failure to produce the railway receipt/ticket will result in foregoing the claim. Reservation and berth charges are also reimbursed against proper receipt/ticket numbers.

PART III – ACADEMIC TRAINING

Introduction.

61. The 3+1 model offered by CTW, MCTE is an innovative engineering degree program that provides cadets with a well-rounded education in the fields of Telecommunication Engineering & IT. In this brief, we will explore the curriculum, streams of study, course materials, examination structure, and the exceptional standards of technical learning offered at CTW, MCTE. Additionally, we will highlight the experienced professors, state-of-the-art infrastructure, and student support systems that make CTW, MCTE an ideal choice for aspiring engineers.

Curriculum and Streams.

62. The 3+1 model at CTW, MCTE offers a rigorous curriculum designed to equip cadets with comprehensive knowledge and practical skills in Telecommunication Engineering & IT. The program is divided into three years of intensive training at CTW, MCTE, followed by a final year Military trg at IMA.

63. During their three years at CTW, MCTE, GCs will delve into various subjects related to Telecommunication & IT. The curriculum covers a wide range of topics.

Course Materials.

64. Throughout the program, cadets will be provided with well-curated course materials to support their learning journey. Over the course of three years/ six semesters, cadets will receive textbooks, lecture notes, and reference materials tailored to their specific subjects. These materials are carefully selected to ensure they align with the latest advancements in the field of engineering.

Examinations.

65. To assess a cadet's progress CTW, MCTE employs a structured examination system. Each semester consists of two phase tests and a final test. The phase tests provide regular checkpoints to monitor cadets' understanding of the subjects and identify areas for improvement. The final test at the end of each semester evaluates cadets overall grasp of the subject matter. This examination structure ensures a thorough evaluation and encourages continuous learning and growth.

Standards and Faculty.

66. CTW, MCTE upholds the highest standards in engineering education, fostering a stimulating and conducive learning environment. The MCTE boasts a team of experienced and dedicated professors who bring a wealth of industry expertise to the classroom. These professors possess a deep understanding of the subjects they teach and are committed to guiding and nurturing cadets to achieve their full potential.

Infrastructure and Support Systems.

67. CTW, MCTE is equipped with state-of-the-art infrastructure aimed at enhancing the learning experience. The advanced smart classrooms provide a technologically advanced environment, facilitating interactive and engaging sessions. Additionally, CTW, MCTE offers a comprehensive feedback system, allowing cadets to provide valuable suggestions and express concerns, ensuring continuous improvement.

68. To address the needs of all GCs, CTW, MCTE provides extra classes for those who require additional support. These sessions are designed to help weaker GCs grasp challenging concepts and bridge any learning gaps. Moreover, the academy recognizes the importance of cadet well-being and offers refreshment facilities to ensure cadets can recharge and stay focused throughout their rigorous training.

Motivation to Join.

69. By choosing CTW, MCTE, aspiring engineers can expect to receive a well-rounded education that prepares them for the challenges in the Indian Army. The academy's commitment to excellence, experienced professors, state-of-the-art infrastructure, and student support systems create an ideal environment for learning and growth. Joining CTW, MCTE offers cadets the opportunity to develop a strong foundation in Telecommunication Engineering & IT, equipping them with the knowledge and skills necessary to succeed in their future careers.

Research and Innovation.

70. CTW, MCTE encourages a culture of research and innovation among its GCs. The academy provides access to state-of-the-art laboratories and research facilities, fostering an environment conducive to exploration and discovery. GCs are encouraged to undertake research projects, collaborate with faculty members, and participate in national conferences to showcase their work. CTW, MCTE emphasis on research instills a spirit of inquiry and equips GCs with the ability to address real-world engineering challenges.

Continuous Improvement and Quality Assurance.

71. CTW, MCTE is committed to continuously improving its programs and maintaining the highest standards of education. The academy regularly reviews its curriculum to ensure its relevance and alignment with industry needs. Feedback from GCs and faculties are actively sought and incorporated into the academic framework. This dedication to quality assurance guarantees that GCs receive an education that prepares them for the dynamic and demanding engineering landscape.

Student Support Services.

72. CTW, MCTE understands that the success of its GCs goes beyond academics. The academy provides a range of support services to ensure the holistic development and well-being of its GCs. These services include.

- (a) **Personalized Mentoring.** Each GCs is assigned a dedicated mentor who offers guidance and support throughout their academic journey. Mentors provide academic advice, help GCs to set goals, and offer assistance in overcoming challenges.

(b) **Extracurricular Activities.** CTW, MCTE encourages GCs to participate in various extracurricular activities. These activities, such as sports, clubs, and cultural events, provide opportunities for GCs to explore their interests, develop leadership skills, and foster a sense of camaraderie among peers.

(c) **Feedback and Continuous Improvement.** CTW, MCTE values GCs feedback and actively seeks input to enhance the learning experience. Regular feedback mechanisms, such as surveys and evaluations, are conducted to gather suggestions and address any concerns. This commitment to continuous improvement ensures that the academy stays at the forefront of engineering education.

Conclusion

73. CTW, MCTE offers a comprehensive engineering education that goes beyond traditional classroom learning. With its emphasis on academic excellence, industry relevance and personalized support, CTW, MCTE prepares GCs to become competent engineers and successful professionals. By joining CTW, MCTE, GCs gain access to a supportive learning environment, experienced faculty, state-of-the-art infrastructure, and opportunities for personal and professional growth. CTW, MCTE is committed to nurturing talent, fostering innovation, and empowering cadets to make a positive difference in the engineering field and Defence services as a whole.

PART IV – ADMINISTRATION
