PART I - GENERAL INFORMATION

Introduction

1. The Indian Military Academy (IMA), Dehradun is one of the premier Military Training Institute, training Officer Cadets for being commissioned into the Indian Army. The Academy is known for its glorious history and valiant traditions which not only are an integral part of the Nation's proud heritage but also form an indispensable sheet anchor of the national security.

2. Through the portals of the IMA, with the motto 'Veerta Aur Vivek', passes out the future Military Leaders of the Indian Army. The path of military leaders is paved with a challenging, exciting and an exacting service. The Academy is no soft option to glitz and glamour. It is an austere institution imparting rigorous training in leadership, self discipline and military training. The hallowed portals of this great institution rightfully boasts of having bred the majority of the officer cadre of yesteryears and indeed today's Indian Army.

Brief History

3. Founded in 1932 to fulfill the growing need for Indianisation, the IMA has grown from its First Course of 40 Gentlemen Cadets (Now Officer Cadets) to a capacity of 1400 Officer Cadets. Its professional fame places it alongside the finest military training institutions of the world. The outstanding record of its alumni on battlefields around the world bear testimony to its fame as a cradle for future military leaders of the country.

4. One of the interesting features in the development of IMA is its expansion in January 1949 into Armed Forces Academy with an addition of Joint Services Wing at Clement Town, Dehradun where Cadets of Army, Navy and Air Force were trained. On 1st January, 1950, the Armed Forces Academy in Dehradun was renamed as National Defence Academy.

5. In 1954, the Joint Services Wing of the National Defence Academy moved from Dehradun to Khadakvasla, Pune and Military Wing which stayed back in Dehradun was renamed as Military College. In 1960, the Military College was given back its original name "Indian Military Academy".

Aim of Training

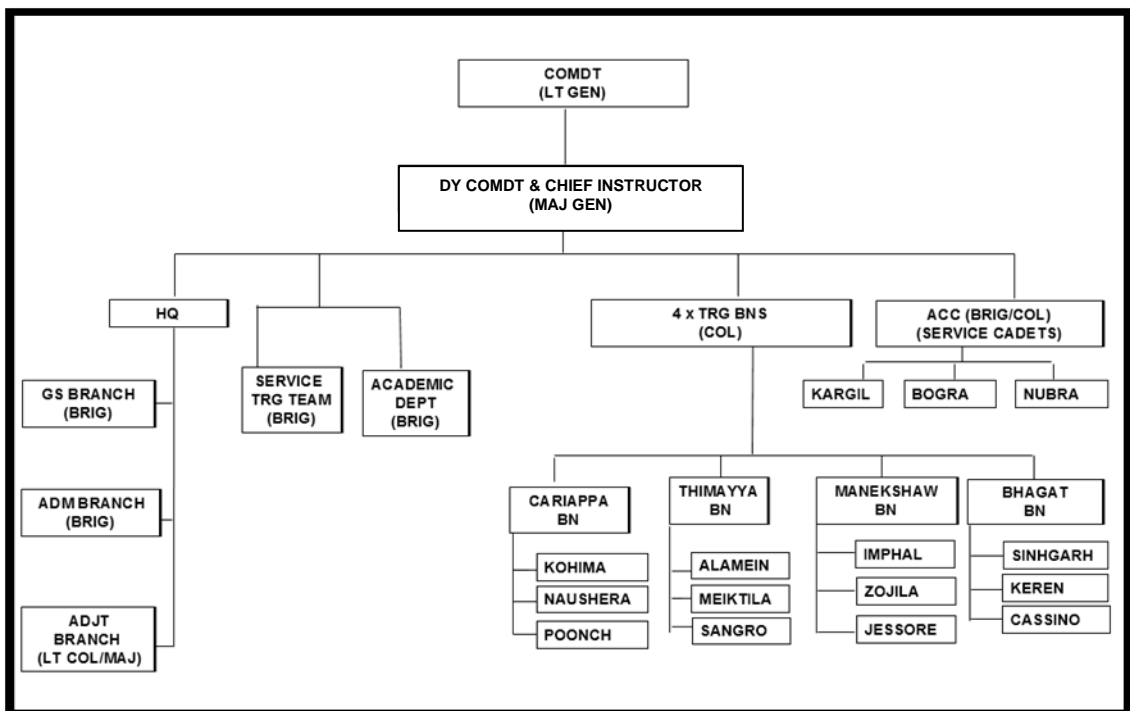

6. To train and motivate the Officer Cadet to be morally upright, professionally competent, commissioned officers of the Indian Army committed to the values of duty, honour and selfless service to the Nation with the passion to achieve professional excellence.

Organisation and Layout

7. The Commandant of IMA is a Lieutenant General rank officer and Deputy Commandant & Chief Instructor is of the rank of Major General. IMA is broadly organised with a Headquarter, Instructional Teams, Training Battalions and Army Cadet College Wing. The Headquarter consists of General Staff Branch, Administrative Branch and the Adjutant's Branch. These are headed by Brigadiers except for the Adjutant's Branch which is headed by Lieutenant Colonel/Major. The Instructional Teams are sub divided into the Service Training Team and Academic Department each headed by a Brigadier.

8. There are four training Battalions viz, Cariappa, Thimayya, Manekshaw and Bhagat commanded by a Colonel and assisted by Majors and Captains, who are the Company and Platoon Commanders. Battalions are named after the Ex-Chiefs of the Army Staff except Bhagat Bn which is named after Lieutenant General PS Bhagat, VC – the first Indian officer to be awarded the Victoria Cross and has also been the Commandant, IMA. The Battalions are organized into three Companies each named after historic battle honours of the Army which are further sub-divided into three platoons each.

9. The Army Cadet College Wing is headed by a Brigadier and is located in North Campus. It consists of three Companies with three platoons each and an Academic Department headed by a Principal. The latter is organised into various departments under the Humanities and Science Streams and each department is being headed by a Professor / Associate Professor.

10. **Location.** The IMA is located in Premnagar on the outskirts of Dehradun, a town in Uttarakhand about 250 kms from New Delhi. The Doon Valley lies between the Garhwal Himalayas and the Shivaliks. The average height of the valley is 600 meters above Mean Sea Level. The forested environment and pristine mountains in the backdrop form an ideal training environment for young Officer Cadets. It is believed as per hindu mythology that Dronacharya had his ashram around this area and used it for training his disciples in the art of war.

11. **Weather.** The Doon Valley enjoys salubrious climate throughout the year. It has a short summer from mid April to June and a long wet monsoon from July to September. It is nice and pleasant during October and March but quite cold from November to February. Max summer temperature is around 42°C and min winter temperature is as low as 1°C.
