MILITARY COLLEGE OF ELECTRONICS AND MECHANICAL ENGINEERING, SECUNDERABAD

JOINING INSTRUCTIONS

TECHNICAL ENTRY SCHEME

Power Through Knowledge

A LIFE LESS ORDINARY

Training at **Cadets Training Wing (CTW), Military College of Electronics and Mechanical Engineering (MCEME)** offers a wide range of benefits that contribute to personal growth, professional development, and the ability to serve effectively in the armed forces. Officer Cadets (OCs) are trained as Techno-Warriors, who are fully equipped with the technical knowledge and leadership qualities required by military professionals. Here are some of the key advantages of training at CTW, MCEME :-

- OCs pursue degree in Electronics or Mechanical streams, the two main core engineering streams, while undergoing military training.
- Discipline and Physical fitness imbibed at CTW not only enhances their performance in the military but also fosters a healthy lifestyle.
- Emphasis on leadership skills teaches to lead by example, make tough decisions under pressure, fosters a strong sense of team spirit.
- Training at CTW, MCEME instills a sense of pride and patriotism in the service of one's country. This sense of duty and commitment to a greater cause can be a driving force throughout a military career.

Overall, training in CTW, MCEME will provide a well-rounded experience that shapes OCs into knowledgeable, technically oriented, disciplined, skilled, and responsible military officers, equipped to serve their country and succeed in various aspects of life.

The OC at CTW, MCEME inherits glorious heritage and timeless traditions, blended with the latest technology in the fields of engineering and leadership qualities. He is offered a golden opportunity to be a part of world's finest Army and get trained not only to be an Officer but also an Officer for life.

CTW, MCEME stands as the exceptional path, brimming with opportunities, to ascend as an officer through Technical Entry Scheme.

“DO YOU HAVE IT IN YOU”

LT GEN NEERAJ VARSHNEY, VSM

COMMANDANT'S MESSAGE

I expect all Officer Cadets undergoing training at Cadets Training Wing to keep the following four issues in mind & follow them in letter and spirit:-

1. **Honour Code.** The Honour Code of the Wing should be observed by all Cadets in true letter and spirit.
2. **Integrity.** At MCEME, CTW we emphasize on taking the **Harder right over the easier wrong as a default option.** The right thing to do is not always the easiest thing to do, but it is always better to do the right thing. Every Cadet is responsible for his own actions and he would be held accountable for the same. A Cadet is expected to have the **Discipline & Courage** to adopt a way of life which is morally and ethically right regardless of the consequences. There is no right way to do a wrong thing. We come down heavily upon defaulters who take the easy way out and short cuts.
3. **Character & Leadership.** You all have joined CTW, MCEME to become leaders in the Indian Army. During your training, you will receive the benefits of hundreds of years of proven combat leadership principles. No leader can operate without a group or a band of followers. The leader has to set an example to others. Character is the bedrock of leadership. Learn from vicarious experiences and good role models and inculcate a sense of sacrifice and hard work.
4. **Discipline.** The start point and end point of a good military officer is discipline. This sense of discipline has to percolate in every aspect of your life till it becomes second nature and a good habit with you. Punctuality, turnout, bearing, physical fitness, respecting others, politeness are all part of being disciplined. We expect the highest standards on this front from all cadets.

MAJ GEN PUNEET KAPOOR

DEPUTY COMMANDANT AND CHIEF INSTRUCTOR'S MESSAGE

1. As Chief Instructor, MCEME, I congratulate you on achieving this important milestone in your life. Today marks the commencement of a transformative journey, where you step into the hallowed grounds of this esteemed Cadets Training Wing, as individuals and as future leaders of this Nation's Army.
2. The path you have chosen will test your fortitude and will forge you into Officers of exceptional calibre, spirit and strength, both physical and moral.
3. We hold the value of honour, integrity and service before self, as paramount. As a "Cradle of Military Leadership", the Wing will ensure that the values and expected abilities are engrained in you by the time you complete your training.
4. Welcome to Cadets Training Wing, MCEME and let your dedication shine and the spirit of service forever guide you.

"Jai Hind"

BRIG ATUL JAISWAL

COMMANDER, CTW, MCEME

1. Heartiest felicitations to you on being selected to undergo training at Cadets Training Wing, Military College of Electronics & Mechanical Engineering – a premier Pre-Commission Training Academy of our Nation.
2. As 'Team CTW' our singular aim would be to transform you into a Techno-Warriors and a Young Leader in the Indian Army, confident and self-reliant to take on contemporary and futuristic challenges. Our team of highly professional Instructors and Staff will impart quality training, driven by deep sense of purpose in an ecosystem conducive to growth and learning. We urge you to be determined and persistent to persevere through the challenges inherent in a training academy like ours.
3. During the period from today until joining the Wing, I exhort you to make an endeavour to orient yourself to the ensuing curriculum - both for engineering and military training and prepare yourself for the same. This will enable you to withstand the rigors of training at CTW, MCEME.
4. Information and guidelines contained in this booklet will help you prepare and plan your arrival to the Academy as also the transition that you will undergo on arrival.
5. Our compliments for choosing to assume the mantle of leadership in the noble profession of Arms. Godspeed!

PART I : GENERAL

Introduction

1. **Cadets Training Wing (CTW)**, Military College of Electronics and Mechanical Engineering (MCEME), Secunderabad is one of the premier pre-commission training academies of the Indian Army tasked with training the Officer Cadets for commissioning as officers in Indian Army through the Technical Entry Scheme and motivating them to be morally upright and professionally competent commissioned officers, committed to the values of duty, honour and selfless service to the Nation. This elite institute imparts quality technical training, which includes engineering subjects as well as military training not only to the selected and capable youth of the country, but also to the selected candidates of friendly foreign countries and sculpts these boys into future military commanders.

Brief History

2. Established in the year 1946, MCEME, the mother institute of CTW, is a premier military technical training institute of the Indian Army. Spread over a sprawling area of 616 acres, the College conducts M Tech, B Tech, Diploma and other technical and military courses for officers and other ranks of Indian Army and friendly foreign countries. MCEME has richly experienced, highly qualified and vibrant faculties for selected engineering streams.

3. CTW, MCEME was established in the year 2000, as an integral part of the MCEME. **First batch of 13 Officer Cadets of Pioneer TES-01 course joined CTW for training and passed out from CTW with flying colours in the year 2003.**

4. The main campus of CTW, MCEME came up in the year 2003 and is spread over an area of 42 acres, having state-of-the-art-buildings. Since then, there have been major infrastructural developments in the campus in terms of the modern training areas and the administrative facilities for the Officer Cadets. The campus of CTW, MCEME is now a major landmark in the twin cities of Hyderabad and Secunderabad.

5. Since its inception, **1188 Indian Officer Cadets & 17 Foreign Officer Cadets** have passed out as **Commissioned Officers** from this prestigious training institute. The alumni of CTW, MCEME have proven their excellence in all spheres of the military profession and have earned many laurels. They have outperformed their peers from other training academies not only in engineering and operational field but also in the challenging competitive examinations for the esteemed Defence Services Staff College and Defence Services Technical Staff Officers Course. Leading by personal examples, they are transforming the officer cadre of Indian Army while being instructors at many premiere defence training institutes. They have also won numerous gallantry and distinguished service awards. **Till date, 01 x Kirti Chakra, 05 x Shaurya Chakras, 26 x Sena Medals** and **01 x Vishisht Seva Medal** have been awarded to the alumni of this prestigious Wing.

6. During its journey of 24 years so far, CTW, MCEME has grown tremendously to become an Institute of highest repute, which transforms the boys to **'Techno Warriors'**. It is an institute where dreams of many young boys to become **'top class'** army officers are realised. Rightfully, the CTW, MCEME has been christened as **'A Cradle of Inspiring Military Leadership'**.

Location

7. **CTW, MCEME is located at Secunderabad Cantonment**, which is adjacent to Hyderabad, the capital city of Telangana state. Hyderabad, a cosmopolitan city, is the fourth largest city in India having world-class facilities. **Hyderabad is a renowned technology and IT hub and a major centre for the thriving technological industry.** It is home to India's top engineering institutes like IIT, IIIT and BITS Pilani (Hyderabad Campus). Traditionally, large number of military units, defence training establishments, Research & Development establishments and Public Sector Units are located in twin cities of Hyderabad and Secunderabad. Hyderabad is also known as **HITECH City** (The Hyderabad Information Technology and Engineering Consultancy City) and has an incomparable technological and innovation eco-system with state-of-the-art infrastructure.

8. Hyderabad also offers a large pool of **experienced and expert engineering faculties** owing to number of renowned engineering institutes located in the city. **Hyderabad city is known for its rich history with religious and cultural diversity.** It is famous for its historic sites like Golconda Fort and Charminar. Another attraction is **Ramoji Film City**, which is the largest Theme Park build on the lines of Disney World.

9. Secunderabad has a moderate weather throughout the year. The city enjoys a very fine blend of modernity and culture. Large number of people from all over the world prefer to settle here permanently.

10. **Secunderabad has good rail and air connectivity with all major cities in India.** Maj trains and air connectivity details are attached as '**Appendix K**' to the joining instructions. One can reach any major Indian city with non-stop flights at an average flight time of two hours. It is also very well connected with all major cities of the world. **Due to its location, CTW, MCEME has a range of advantages over the other two CTWs, which include access to the latest technology, a vibrant technical community and exposure to exchange programmes with India's best engineering institutes. Such resources and technical ecosystem is only available at CTW, MCEME, which are effectively leveraged to provide most advanced learning experience.**

TRAINING AT CTW, MCEME

11. **Aim of Training.** The training at CTW is aimed at the optimal development of intellectual, moral and physical qualities with special emphasis on acquiring the requisite technical competence leading to your all-round development as a military leader.

Technical Training

12. **The training structure involves three years of training at CTW, MCEME, which is divided into six terms. This is followed by one year of training at Indian Military Academy (IMA), Dehradun.** CTW provides intellectually stimulating course content, which goes beyond delivering information. The technical training at CTW is centred at conferring B Tech degree in two disciplines of engineering namely, **Mechanical and Electronics.**

13. The syllabi covers all basic engineering subjects of both the streams and are revised periodically keeping in view the changing technological environment. On graduating from CTW and IMA, the Officer Cadets will be conferred with a B Tech degree from **Jawaharlal Nehru University, New Delhi**, which is one of the most prestigious universities in the field of engineering.

14. **Inclusive Training.** The curriculum of both Electronics and Mechanical Engineering streams at CTW, MCEME is inclusive, covering all aspects of technical training. **Officer Cadets not only participate in technical seminars on varied and contemporary technologies but also undertake industrial visits to the prominent Industries in Hyderabad. MCEME has software labs equipped with all the latest softwares like AutoCAD and SQL Server.**

15. **Memorandum Of Understanding (MoU).** A number of MoUs have been signed between MCEME and India's best engineering and other training institutes and Public Sector Units. **These MoU enable collaboration and knowledge sharing during various seminars, conferences, workshops and research projects.** MoU are currently existing with IIT Hyderabad, IIIT Hyderabad, BITS Pilani, JNTU, IIST Thiruvananthapuram, Poornima University Jaipur, ARCI, IARE, SBTET, Ordinance Factory Medak and Bharat Forge Ltd.

16. **Faculty.** We engage with the best of faculty available in Hyderabad, who consistently strive for the highest standards of teaching and learning. Our faculty members are renowned experts in their domains, with impressive academic backgrounds and extensive experience. **Our student-faculty ratio is one of the best amongst top engineering institutes in the country.**

Outdoor Training

17. **The Outdoor Training includes Physical Training, Swimming and Drill.** The Officer Cadets are mandated to clear their tests in stipulated time. Competitions for outdoor events are also held in each term.

Military Training

18. **Tactical Camps.** The fifth and sixth semester Officer Cadets undergo tactical camps of five days each. They are given field training on Conventional and Counter Insurgency Operations. The camp culminates with the 'Camp Fire' and 'Josh Run'.

19. **Weapon Training.** Weapon firing is conducted in fourth, fifth and sixth semesters. The Officer Cadets undergo squad post training of one week followed by three days of firing.

20. **Scientific Methodology In Military Training.** Scientific methodology for military training has been adopted by CTW, MCEME, which is used to design the training schedule. The scientific approach enhances the training efficiency as it helps to identify ways to streamline training processes, evaluate the progress and effectiveness of training programs and make them more efficient.

Leadership Training

21. Specially structured training on leadership qualities is organised for the Officer Cadets. Standing in front of a body of troops and commanding them require a considerable level of confidence and public speaking skills. To inculcate the same, various activities including Public Speaking Competitions are held in each term.

INFRASTRUCTURE

Academic Infrastructure

22. The Wing has two academic blocks, APJ Abdul Kalam and Nalanda Block, that have modern **smart classrooms** with interactive whiteboards, audio-visual aids, and multimedia tools that foster an interactive and immersive learning environment.

23. There is also a fully equipped IT Laboratory with computers and cutting-edge equipment. The Wing also houses a comprehensive library, which has an ever-growing reservoir of books.

Online Learning Facilities.

24. CTW, MCEME offers best facilities for online learning by Officer Cadets during own time :-

(a) **National Knowledge Network (NKN).** The CTW takes immense pride in being a part of the prestigious National Knowledge Network (NKN), a state-of-the-art initiative connecting educational and research institutions across India. Through NKN, our Officer Cadets have an access to a vast repository of digital resources, academic journals, and e-learning platforms, enabling them to stay updated with the latest advancements in their respective engineering disciplines.

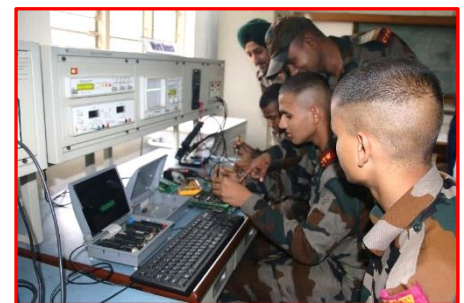

(b) **Online IEEE Subscription.** CTW has an exclusive online subscription to the renowned Institute of Electrical and Electronics Engineers (IEEE). Officer Cadets gain unrestricted access to a treasure trove of research papers, scientific journals and industry publications related to engineering, technology and innovation. This invaluable subscription empowers cadets to explore emerging trends, conduct in-depth research and stay at the forefront of technological advancements.

(c) **24 X 7 Learning Environment.** To promote a digital-centric learning experience, each Officer Cadets room is equipped with the thin-client terminal, which provide Officer Cadets with direct access to the central network and educational resources from the comfort of their rooms.

25. **Technical Laboratories.** CTW has following well-equipped and modern laboratories for all subjects to facilitate practical and hands on training of the Officer Cadets:

- (a) Artificial Intelligence Lab
- (b) IT Lab
- (c) Digital Signal Processing Lab
- (d) Microwave and Communication Lab
- (e) Digital and Analog Communication Lab
- (f) Microprocessor Lab
- (g) Robotics Lab
- (h) Antenna Lab
- (j) Electronics Lab
- (k) Integrated Electronics Lab
- (l) Fluid Mechanical Lab & Thermal Engineering Lab
- (m) Automobile Engineering Lab
- (n) Workshop Practice Lab
- (o) CAD/ CAM Lab
- (p) Applied Thermodynamics Lab
- (q) Applied Mechanical & SOM Lab
- (r) Electrical Tech Lab
- (s) Electrical Machines Lab
- (t) Engineering Drawing Lab
- (u) Physics Lab
- (v) Chemistry Labs

Other Facilities

26. **Simulator : Indoor Weapon Training System (IWTS).** IWTS facility aims to enhance training effectiveness and improve accuracy of firers by simulating realistic scenarios and allowing upcoming officers to practice skills in a controlled environment. Tools in Indoor Weapon Training System allows instructors to identify areas for improvement and tailor training accordingly.

27. **Indoor Sports Complex.** The multipurpose sports arena features a large, versatile sports complex that accommodates various indoor sports such as basketball, volleyball, squash, hockey and gymnasium. The arena has dedicated facilities including strength-training areas, cardio equipment and specialized training equipment. This complex provides space for hosting sporting events, tournaments and competitions. This space accommodate spectators and provide necessary amenities like seating, scoreboards and media facilities. **Such an All Weather Indoor Sports Complex is only available in CTW, MCEME.**

28. **Officer Cadets Accommodation.** Officer Cadets are allotted fully furnished cabins with attached washrooms within the premise, which is in close proximity to all the facilities such as classes, laboratories, training areas, sports fields and Cadets' Mess.

29. **Officer Cadets Mess.** The Mess provides excellent quality, hygienic, nutritious, delicious, balanced multi-cuisine food. The mess also has an anteroom for entertainment and gymnasium for physical training.

30. **Cinema.** Latest movies are screened at Open Air Theatre loc at MCEME.

31. **Medical Facilities.** The requisite medical facilities are provided by the MI Room, MCEME and Military Hospital, Secunderabad.

32. **Sports Medicine Centre.** Fully equipped and modern Sports Medicine Centre is available at MCEME. With an on-site sports medicine centre, Officer Cadets can receive consistent medical care throughout their training period, which contributes significantly to their well-being, performance, and success.

33. **Additional Facilities.** Well-stocked URC, shopping centre, cafeteria, barbershop, clothing and tailor shop, equipment repair shop, bank ATM, landline phone in each Platoon for communication at home and internet lab are available within the premises.

ACTIVITIES AT CTW

Sports Activities

34. Inter platoon games are organised as team events in various strings to inculcate the sportsman competitive attitude, camaraderie and team spirit in the Officer Cadets. Competitions for Hockey, Basketball, Volleyball, Football, Cross Country run, Tennis and Squash are organised. As part of daily routine, the games period is organised for Officer Cadets under respective coaches and instructors.

35. **Inter CTW Triangulars.** Inter CTW Triangular meet is conducted once in a year hosted by one of the CTWs that includes cross country run, one major game (Hockey or Football), one minor game (Volleyball or Basketball) and one individual game (Tennis or Squash). **In the year 2023, the prestigious Inter CTW, Triangular Cup was won by CTW, MCEME.**

Clubs And Hobbies

36. The training imparted at CTW, apart from developing the physical and scholarly skills of the Officer Cadets, endeavour is to develop their personalities as well. In order to inculcate and nurture hobbies, various clubs have been formed viz **Arts & Sculpture, Music & Dramatics, Martial Arts, Sailing, Shooting, Photography, Science & Innovation.**

Adventure Camps And Mid Term Hikes

37. During the mid term break and at the end of term, adventure camps like Para Jumps at Army Air Borne Training School, Agra and Sailing at Army Yachting Node, Mumbai and hikes to different academies, centres and inter-services institutes at different locations in the country are organised for the Officer Cadets.

- (a) **Mobile Phone and Peripherals.** Mobile declaration form (**Appendix 'O'**) to be filled and deposited to Adjutant, CTW alongwith the devices on arrival at the Wing.
- (b) Portable TV.
- (c) Computer (Laptop, Tablets, e-book readers) and accessories to include Hard Disc, Pen Drives, USB, ROM, RAM etc or such Hardware items.
- (d) DVD Player.
- (e) I-Pod with cameras.
- (f) MP3 players which can act as storage device/Pend drive.
- (g) Smart watch, of any kind.
- (h) Firearms/ Knives/ or any sharp metallic object.

Candidates are advised not to bring any valuable items like expensive watches, rings, necklaces, jewelry, electronic gadgets and such like articles. Additionally, bespectacled Officer Cadets are advised to bring two pairs of spectacles. Spectacles with photo chromatic lenses are not permitted to be worn while under training at CTW, MCEME.

55. **Social Media.** The use of social media is banned for the Officer Cadets (list attached as **Annexure to Appendix 'K'**). The candidates joining CTW, MCEME are required to submit a certificate on the prescribed format stating that the individual is not a member of any social networking website (**format attached as Appendix 'K'**).

Physical Conditioning

56. The erstwhile Basic Military Training which was for a duration of one year has been spread over a span of four years and will require efforts from your side to be alive & more proactive on this front. Therefore, basic core strengthening and upper body endurance that you can develop before joining will be of big help. Thus, it is imperative that candidates desiring to join the CTW, MCEME attain a high level of physical fitness which will facilitate their smooth adaptation to the training schedule at the Wing. It has been observed that some of the selected candidates, who are in poor physical condition on joining the Wing, find it difficult to cope up with the training routine. Inadequate physical conditioning also inhibits the Officer Cadets academic performance.

57. Prospective candidates are, therefore, advised to keep themselves in good physical condition, by following the under mentioned regimen daily: -

- (a) Jogging 3 to 5 Kms interspersed with short sprints.
- (b) Skipping.
- (c) Pushups and Sit ups (minimum 40 each).
- (d) Chin ups (minimum 04).
- (e) It would be of immense benefit if the Officer Cadets could learn the basics of swimming before joining the Wing.
- (f) Cycling up to 3 Kms.

Travelling Expenses

58. Candidates will travel to Secunderabad at their own expense by train in AC-III tier by the shortest route. A cash receipt/ ticket is to be obtained from the railway authorities showing the amount of railway fare spent. This is to be attached to the Travelling Allowance claim, which will be produced by candidates on arrival at the CTW, MCEME. Failure to produce the railway receipt/ ticket will result in foregoing the claim. Reservation and berth charges are also reimbursed against proper receipt/ ticket numbers. Claims in respect of travel by modes other than train would be restricted to the AC-III tier railway fare or the actual expenditure whichever is less.

PART III – ACADEMIC TRAINING

Introduction

59. The 3+1 model offered by CTW, MCEME is an innovative engineering degree program that provides Officer Cadets with a well-rounded education in the fields of mechanical and electronics engineering. In this brief, they will explore the curriculum, streams of study, course materials, examination structure, pre-arrival requirements, and the exceptional standards offered at CTW, MCEME. Additionally, pool of experienced professors, state-of-the-art infrastructure, and student support systems makes CTW, MCEME an ideal choice for aspiring engineers.

Curriculum and Streams

60. The new 3+1 training model at CTW, MCEME offers a rigorous curriculum designed to equip Officer Cadets with comprehensive knowledge and practical skills in mechanical and electronics engineering. The program is divided into three years of intensive training at CTW, MCEME, followed by a final year military training at IMA.

61. During their three years at CTW, MCEME, Officer Cadets will delve into various subjects related to mechanical and electronics. The curriculum covers a wide range of topics, including but not limited to :-

- (a) **Mechanical Engineering.**
- (i) Mechanics.
 - (ii) Thermodynamics.
 - (iii) Fluid Mechanics.
 - (iv) Materials Science.
 - (v) Manufacturing Processes.
 - (vi) Machine Design.
 - (vii) Robotics and Automation.

(b) **Electronics Engineering.**

- (i) Circuit Theory.
- (ii) Digital Electronics.
- (iii) Electromagnetic Theory.
- (iv) Microprocessors.
- (v) Communication Systems.
- (vi) Control Systems.
- (vii) VLSI Design.

**Course Material**

62. Throughout the program, Officer Cadets will be provided with well-curated course material to support their learning journey. Over the course of three years/ six semesters, Officer Cadets will receive textbooks, lecture notes, and reference material tailored to their specific subjects. These material are carefully selected to ensure they align with the latest advancements in the field of engineering.

63. **Examinations.**

(a) To assess an Officer Cadet progress, CTW, MCEME employs a structured examination system. Each semester consists of two phase tests and a final test. The phase tests provide regular checkpoints to monitor Officer Cadets understanding and identify areas for improvement. The final test at the end of each semester evaluates Officer Cadets overall grasp of the subject matter. This examination structure ensures a thorough evaluation and encourages continuous learning and growth.

(b) **Pre-Arrival Requirements (Zero Test).** It is important to keep yourself abreast with the 10 + 2 syllabus. A Pre-Engineering test will be conducted within first week of arrival at CTW, MCEME. Syllabus for the same is Physics, Chemistry & Mathematics (PCM) of Class 11th & 12th.

64. Before joining CTW, MCEME, Officer Cadets are required to prepare a few essential items to facilitate their educational journey. You are required to carry calculators alongwith you.

Standards and Faculty

65. CTW, MCEME upholds the highest standards in engineering education, fostering a stimulating and conducive learning environment. The MCEME boasts a team of experienced and dedicated professors who bring a wealth of industry expertise to the classroom. These professors possess a deep understanding of the subjects they teach and are committed to guiding and nurturing Officer Cadets to achieve their full potential.

Infrastructure and Support System

66. CTW, MCEME is equipped with state-of-the-art infrastructure aimed at enhancing the learning experience. The advanced smart classrooms provide a technologically advanced environment, facilitating interactive and engaging sessions. Additionally, CTW, MCEME offers a comprehensive feedback system, allowing Officer Cadets to provide valuable suggestions and express concerns, ensuring continuous improvement.

67. To address the needs of all Officer Cadets, CTW, MCEME provides extra classes for those who require additional support. These sessions are designed to help such Officer Cadets to grasp challenging concepts and bridge any learning gaps. Moreover, the Wing recognizes the importance of cadet well-being and offers refreshment facilities to ensure Officer Cadets can recharge and stay focused throughout their rigorous training.

Motivation to Join

68. By choosing CTW, MCEME, aspiring engineers can expect to receive a well-rounded training that prepares them for the challenges in Indian Army. The Wing's commitment to excellence, experienced professors, state-of-the-art infrastructure, and student support systems create an ideal environment for learning and growth. Joining CTW, MCEME offers Officer Cadets the opportunity to develop a strong foundation in mechanical and electronics engineering, equipping them with the knowledge and skills necessary to succeed in their careers.

Internship and Industry Experience

69. In these three years at CTW, MCEME, Officer Cadets will get practical industry experience. This crucial phase allows Officer Cadets to apply their theoretical knowledge in real-world scenarios, gaining hands-on experience and valuable insights into the engineering. CTW, MCEME has established strong partnerships with renowned companies to provide Officer Cadets with meaningful internship opportunities, ensuring they are well-prepared for the professional world upon graduation.

Research and Innovation

70. CTW, MCEME encourages a culture of research and innovation among its Officer Cadets. The Wing provides access to state-of-the-art laboratories and research facilities, fostering an environment conducive to exploration and discovery. Officer Cadets are encouraged to undertake research projects, collaborate with faculty members, and participate in national conferences to showcase their work. CTW, MCEME emphasizes on research to instill spirit of inquisitiveness and equip Officer Cadets with the ability to address real-world engineering challenges.

Industry-Relevant Workshops and Seminars

71. To keep Officer Cadets updated with the latest industry trends and advancements, CTW, MCEME organizes regular workshops and seminars. Renowned experts and industry professionals are invited to share their knowledge and experiences, providing valuable insights into emerging technologies and engineering practices. These events enhance Officer Cadets understanding of industry requirements and equip them with the skills necessary to thrive in a rapidly evolving engineering landscape.

Continuous Improvement and Quality Assurance

72. CTW, MCEME is committed to continuously improving its programs and maintaining the highest standards of education. The Wing regularly reviews its curriculum to ensure its relevance and alignment with industry needs. Feedback from Officer Cadets, faculty, and industry partners is actively sought and incorporated into the academic framework. This dedication to quality assurance guarantees that Officer Cadets receive an education that prepares them for the dynamic and demanding engineering landscape.

Student Support Services

73. CTW, MCEME understands that the success of its Officer Cadets goes beyond academics. The Wing provides a range of support services to ensure the holistic development and well-being. These services include.

(a) **Personalized Mentoring.** Each Officer Cadet is assigned a dedicated mentor who offers guidance and support throughout their academic journey. Mentors provide academic advice, helps Officer Cadet to set goals, and offer assistance in overcoming challenges.

(b) **Extracurricular Activities.** CTW, MCEME encourages Officer Cadets to participate in various extracurricular activities. These activities, such as sports, clubs, and cultural events provide opportunities for Officer Cadets to explore their interests, develop leadership skills, and foster a sense of camaraderie among peers.

(c) **Career Development Workshops.** CTW, MCEME organizes workshops and seminars focused on enhancing Officer Cadets employability skills. These workshops cover topics such as communication skills, teamwork, problem-solving, and professional etiquette to prepare Officer Cadets for their future careers.

(d) **Industry Visits and Guest Lectures.** CTW, MCEME organizes industry visits and invites guest lecturers from the engineering field to provide Officer Cadets with practical insights and expose them to real-world scenarios. These interactions broaden Officer Cadets perspectives and help them understand the practical applications of their knowledge.

(e) **Feedback and Continuous Improvement.** CTW, MCEME values Officer Cadets feedback and actively seeks input to enhance the learning experience. Regular feedback mechanisms, such as surveys and evaluations, are conducted to gather suggestions and address any concerns. This commitment to continuous improvement ensures that the Wing stays at the forefront of engineering education.

(f) **Industry-Relevant Skill Development.** CTW, MCEME integrates industry-relevant skill development within its curriculum. Officer Cadets are exposed to practical challenges, problem-solving exercises, and real-world case studies. This approach equips them with the necessary skills and competencies sought after by employers in the engineering industry.

74. The academic course curriculum is also comprehensive & demanding, requiring interest and perseverance from the Officer Cadets. CTW, MCEME offers a comprehensive engineering education that goes beyond traditional classroom learning. With its emphasis on academic excellence, industry relevance, personalized support, and global exposure, CTW, MCEME prepares Officer Cadets to become competent engineers and successful professionals. By joining CTW, MCEME, Officer Cadets gain access to a supportive learning environment, experienced faculty, state-of-the-art infrastructure, industry connections, and opportunities for personal and professional growth. CTW, MCEME is committed to nurturing talent, fostering innovation, and empowering Officer Cadets to make a positive difference in the engineering field and Defence services as a whole.

PART IV – ADMINISTRATION & RECEPTION ARRANGEMENTS

75. A reception cell will be established at Secunderabad Railway Station for receiving candidates on the specified dates of reporting as promulgated by Recruiting Directorate. Under no circumstances will a candidate report early/ later than the date of reporting. For candidates reporting early/ later due to limitations of mode of travel, the same needs to be informed telephonically to Adjutant, CTW, MCEME to ensure necessary arrangements. Candidates are also advised to avoid staying at hotels or residences of their relatives before reporting. Instead, candidates are advised to directly report to the Wing. The Mob No of reception cell is as under : -

- (a) **Overall Incharge & Reception Officer - Capt AS Dhaliwal (7087606973)**
- (b) **Reception JCO - Sub Ravilla Rama Rao (8167581052)**
- (c) **Reception Clerk - Hav Rakesh Kumar (9412509235)**
- (d) **Finance Clerk - Hav V K Yadav (9506684007)**

Candidates must carry their photo identity proof at the time of reporting. In case of failure to produce the same, they will not be allowed to enter the premises of the CTW.

76. The candidates can also report directly at the Reception Cell at CTW Main Gate under own arrangements. The Google maps link of CTW main gate is <https://maps.app.goo.gl/A9XZGrehUykdTY768>.

77. Candidates can contact Movement Control Organisation (MCO), Secunderabad Railway Station on No 04027701602, or ring up the Adjutant, CTW, MCEME on telephone/ Mob No on 040 27869170/ 7991464641 (during working days from 0830h - 1400h) in case of any difficulty.

78. **Candidate should be dressed in shirt, trouser and a tie when reporting to the Reception Officer at the Wing.** (Round neck T-shirt and Jeans are not permitted to be worn by candidates while reporting)

79. **Instructions Pertaining to Reporting:**

- (a) All candidates must intimate their scheduled arrival details to CTW, MCEME at least one week in advance on mobile No **8167581052** (Text message only).
- (b) All candidates must get a haircut and should be clean shaved before reporting to CTW, MCEME.

On Reaching CTW, MCEME

80. **Discipline.** On arrival and while under training at the Cadets Training Wing, candidates will be subject to such rules and regulations as laid down for the Officer Cadets of the Cadets Training Wing. Drinking alcohol and smoking is forbidden for Officer Cadets during their stay at the Wing.

81. **Accommodation and Messing.** Officer Cadets will be provided free accommodation and will be obliged to live in sharing/ single & independent quarters allotted. Cadets will also be provided free messing and allied services (including electricity, water, conservancy and laundry).

82. **Visitors.** Officer Cadets are permitted to receive visitors on pre-designated Sundays/ Holidays from 1000 to 1830 hours. Officer Cadets are not allowed to entertain visitors outside the days and hours laid down. Next of kin i.e, parents/ guardians may be permitted, by prior appointment in writing, at times other than those mentioned above.

83. **Correspondence.** Personal Number and Platoon will be allotted to Officer Cadets on arrival at the CTW, MCEME. All correspondence to Officer Cadets will be addressed as under:-

TES Number.....
 Platoon.....
 Full Name

Cadets Training Wing
 Military College of Electronics and
 Mechanical Engineering (MCEME)
 Trimulgherry, Secunderabad

 PIN-500015

84. **Telephone enquiries/ Calls.** Telephone calls to Officer Cadets and telephonic enquiries should be kept to the barest minimum. Parents/ guardians are advised to make calls directly to the Platoon Commander of the Cadet and **not to the Adjutant**, once the Cadet confirms his allotted Platoon and the Platoon Commander's telephone number.

85. **Leave and Vacations.** Except for leave on medical grounds, no other kind of leave of absence during the period of training will be granted. Leave on extreme compassionate grounds may be considered, but the competent authority shall be the sole judge for deciding such cases. It is advised that family functions viz marriages, religious ceremony etc are planned during the term breaks i.e. June/ December. The Wing closes for summer and winter vacations for approximately four weeks in June and December. Officer Cadets may be permitted to proceed home during the vacations. The decision whether or not a Cadet will be permitted to proceed home during the vacations rests with the Commandant, MCEME and will be determined by the progress shown during training. Officer Cadets are entitled to free railway conveyance on warrant by AC III during vacations, to their home stations and back.

PART V : FINANCIAL MATTERS

Insurance : Army Group Insurance Fund Scheme for Officer Cadets

86. **Coverage.** All Officer Cadets who join the CTW, MCEME are covered under this scheme during their stay at CTW, MCEME.

87. **Benefits.**

(a) **Insurance.** A sum of ₹15 Lacs is assured for death due to any reason, while under going training at the Wing.

(b) **Disability Cover.** A maximum of ₹15 Lacs is payable for 100% disability, proportionately reduced to disability upto 20%. No disability benefits are paid for alcoholism/ drug addiction. The percentage of disability will be recommended by a military medical board and approved by a competent authority, which will be considered final and binding on the Officer Cadets. Officer Cadets leaving at their own request or on disciplinary grounds will not qualify for any disability benefits, under this scheme.

(c) **Survival Benefits.** No survival/ maturity benefits are applicable during training at CTW, MCEME.

88. **Premium during Training at CTW, MCEME.**

(a) A onetime non-refundable premium of ₹7,200/- will be paid on joining CTW, MCEME.

(b) The premium is compulsory and will cover the Cadet for a period of three years in CTW, MCEME.

(c) There are no saving elements; hence no maturity benefits are payable when a Cadet leaves the Wing.

(d) **Relegation Cases.** If a Cadet gets relegated to a junior course on academic, administrative or disciplinary grounds, he will be liable to pay ₹1,355/- for each additional term (06 months), immediately once relegation becoming effective.

89. **Premium on Passing Out of CTW, MCEME.** Once the Cadet joins IMA, Dehradun and commences drawl of a fixed stipend of approx ₹ 56,100/- per month, he shall pay ₹10,000/- per month (subject to periodic revisions). This monthly subscription shall continue even after Commissioning, till the individual remains in service. The premium contains saving element hence will be entitled for maturity benefits on leaving the IMA on any ground.

90. **Disqualifying Factors.**

(a) Officer Cadets who abscond or desert the Wing i.e. leave the Wing without proper permission/ authority, will not be eligible for any benefits under this scheme.

(b) Officer Cadets leaving the training at their own request or on disciplinary grounds will not be liable for any disability benefits, even if recommended by a medical board.

PART VI – SPECIAL INSTRUCTIONS

91. **Ban on Applying for Other Jobs while at the CTW, MCEME.** Candidates who have also applied for other types of commission/ entry into the Army, Navy or Air Force or any other employment must exercise their final option before admission to the CTW, MCEME for training. After admission, they will not be permitted to appear for any examination/ interview for any other type of commission/ entry in the Army, Navy or Air Force or any other employment without resigning from the Wing and paying the cost of training.
92. **Resignation or Withdrawal: Recovery of Cost of Training.** In case a Cadet tenders his resignation on arrival or later during the course of his training or is withdrawn by the Government for not fulfilling the conditions laid down in paragraph 4 of the Bond at **Appendix 'D'**, he and his parents or guardians are liable to pay to the Government jointly the cost of training at the CTW, MCEME and other training establishments and money received by the Cadet as pay and allowances together with interest thereon. **The rate of cost of training is revised from time to time and is presently slabbed at ₹16,260/- per week**, with an yearly escalation of 8% per annum to be calculated on 01 Jul of each year. **The cost of training will be recovered from the date of joining the Wing.** The Cadet who tenders his resignation/ is withdrawn will be returned his 10+2 Education Certificate/ Marksheet (original) only after clearance of his all dues (including cost of training).
93. If a Cadet tenders his resignation, he has to submit his parents' consent along with his resignation application. The format of the parent consent is attached as **Appendix 'H'**.
94. The cost of training incurred at RIMC, Dehradun and the amount of scholarship received at various Sainik Schools will also have to be paid by the Cadet or his parent before a request to resign is accepted. The amount involved will have to be deposited prior to forwarding the case to higher authorities.
95. **Relegation to Junior Term.** A OC may be relegated to the junior term (loss of six months seniority) for the following reasons: -
- (a) If he possesses the basic qualities of an officer, but require more time to come up to the laid down standards.
 - (b) If he misses more than 42 days of training in any term at CTW, MCEME, owing to medical or any other reasons.
 - (c) If he is awarded more than 42 Restrictions (punishments) in a term or 60 Restrictions in any two consecutive terms.
 - (d) If he fails to achieve the required passing marks in academics and service subjects, fails to achieve minimum standards in outdoor training, including physical training and any other aspect/ sphere of training, including Officer Quotient and the required standards in overall performance.
 - (e) On disciplinary grounds.
